# CARAVELLE

*Experience the Excitement!*

# Quality through the years

Over the past 20 years, an estimated 40,000 families have experienced the excitement of Caravelle's performance, the assurance of Caravelle's quality, and the pleasure of Caravelle's innovations . . .

Innovations such as the first stow-a-way top compartment, the PROTEC engine warning system, the 5 year limited hull warranty, and many industry leading technical and engineering concepts. Today, Caravelle continues to be a leader in the state-of-the-art designs such as Eurosport styling and unique wraparound interior seating.

Every boat is built with quality and integrity that you can depend on. Come aboard and EXPERIENCE THE EXCITEMENT OF CARAVELLE!

CARAVELLE 1966

CARAVELLE 1989

# Caravelle quality is built in . . . Standard

The best NPG Gelcoats are used for long-life finish.

Hand laid 24 oz. woven roving insures a strong and durable hull.

Welded stainless steel bow rails resist the elements.

Thru-bolting of load-bearing hardware for dependability and safety.

Modern, efficient assembly methods assure consistent construction.

Quality control inspections based upon rigid specifications cover 185 checkpoints.
