

CARAVELLE

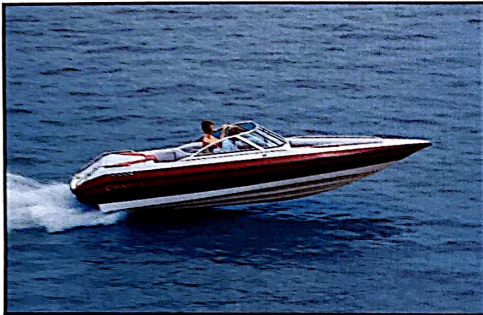

experience the excitement!

CARAVELLE *into the 90's* *experience the excitement!*

ROYALE

Style and convenience with an impressive lineup of standard features. Wide beam trailerable cuddys, plush interiors, coordinated colors... a real luxury Environment. Truly first class Royale accommodations. Quality through the years.

INTERCEPTOR

High style. High performance. The advanced look of the future is here today with 60 mph performance. Interceptor bow rider and cuddy lead the 2300 class. Performance lovers and skiers will appreciate Interceptor's standard features. The sleek hi-tec look, curved windshield, AM/FM stereo cassette, sport steering wheel and color coordinated interiors. Experience the Excitement.

ELEGANTE

Enjoy the exciting elegance of Elegante. Family boating at its finest. Maintenance free integrated swim platforms, European styling inside and out make Elegante the tried and true favorite. Impressive style with impressive performance.

CLASSIC

Classic in every way. The best value in boating today. Standard features include stainless ski tow, overboard draining ice chest, AM/FM stereo cassette sound system, full instrumentation, convenient integrated swim platform, deluxe interior, color coordinated. The family's choice, a Classic value.

CALIENTE

The hot one! In hot pursuit of boating excitement. Sleek and sassy with its low profile, futuristic windshield, and soft curves. All this with V-8 power makes Caliente hot excitement.

Quality through the Years

CARAVELLE 1966

24 YEARS OF SATISFACTION

Since 1966, 45,000 Caravelles (est.) have provided family fun and excitement with performance, engineering achievement and assurance of quality.

SATISFACTION BEGINS WITH A QUALITY PRODUCT

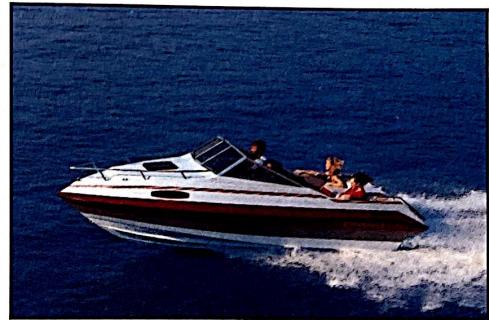

Caravelle is strong and durable. Fiberglass, corematt and gel coat are applied in up to 10 layers.

Stress points are reinforced with fir, balsa core or corematt with additional layers of fiberglass to meet demanding expectations.

The stringer system is fir, bonded to the hull and floor with woven roving to form a durable unit. Both floor and stringer systems are encapsulated in fiberglass to ensure long life.

Decks and hulls are fastened together, sealed to ensure a tight fit.

Caravelle's manufacturing techniques and quality assurance offer satisfaction to the discerning boater.

CARAVELLE 1990

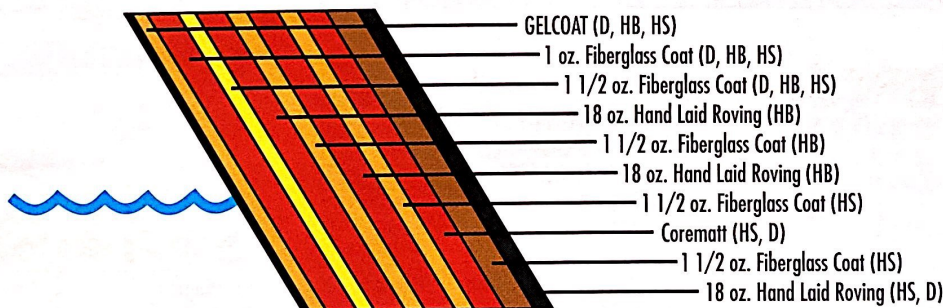

SATISFACTION – STANDARD EXTRAS MAKE THE DIFFERENCE

On board accommodations are designed to satisfy. Stainless cleats, heavy gauge stainless deck rails, and thru bolted hardware resist the elements and provide added strength. Exterior colors are coordinated with stylish interiors. Premium grade vinyl fabrics enhance the comfortable interiors. Plush marine grade carpet covers the floor entirely. Integrated swim platforms are convenient and maintenance free.

AM/FM stereo system, sport steering wheel, full instrumentation, locking glove box, ice compartments with overboard drains, are standard on most models.

Caravelle, the best value in boating today.

Caravelle quality is built in... Standard. Inspections based on specifications cover 185 check points. Quality control at Caravelle is motivated by a desire for customer satisfaction and our 5 year structural warranty guarantees it.
